3.4 Afghanistan Manual Labor Costs

In Afghanistan the labourers are not organised in associations. In average, manual labour is easily available.

Indicative average non-specialised cost of labour is so synthesised:

100 AFS / MT (independently on the number of labourers. This needs to be negotiated with the labourers team)

Indicative per person: 350 – 400 AFS / day

Average monthly salary, in USD, per labourer: 92 – 100 USD / Month
