

1.2 Marshall Islands (RMI) Regulatory Departments & Quality Control

Quality Control

There are no Laboratories or testing facilities in RMI. The testing of fuel imports however is undertaken by the Marshall Island Energy Company by SGS who are based in Guam. On each occasion technicians are flown out from Guam to take and test samples.

For more information on regulatory departments and quality control laboratories' contact details, please see the following links: [4.1 Government Contact List](#) and [4.3 Laboratory and Quality Testing Company Contact List here](#).
