### Erbil

Erbil warehouse compound Qaryah Taq is located in industrial area N 36,169758; E 43,888939. It is a big compound and security is provided. It is composed of 2 to 300 warehouses, 600 m2 each. Warehouses available to rent have paper affixed on the gate with contacts of the owner.

Warehouses of smaller capacity can be found all around the city for a various range of price depending of the location, size and service provided.

Average rental price is \$ 2.1/m2.

Storage facilities can be found in two main locations in Erbil:

- Gwer Road (approximate GPS 36°09'46.3"N 43°52'49.7"E) – A large warehouse complex where WFP and other humanitarian organization have established warehouses. The location is 12 KM away from the city Centre. The area is fenced with a large number of warehouses. The accessibility and quality differs from one warehouse to another.
- Gazna Road (approximate GPS 36°15'30.6"N 43°58'36.9"E) – strategically located on the outskirts of Erbil, 7 KM from the UN compound. The location has good accessibility to the Erbil 120M highway. This location hosts warehouses of humanitarian organization (i.e. ICRC, UNICEF and IOM) and private sector companies. The warehouses in these location where found to be well organized and well established.

City	Contact person	Phone
Erbil	Fares Yassin	0750 4442212
Erbil	Khusro Jawed	0750 4456259
Erbil	Taib Abdullah Qader	0750 4543788
Erbil	Shwan Namq Qader	0780 4451111

## Basrah

Government owned warehouse compound under Ministry of Trade.

## Dahuk

The local market in Dahuk has sufficient capacity to provide storage facilities of over 1000 sqm in most locations in the area:

- Within Dahuk surrounding industrial/commercial areas
- Out of town industrial areas on the main road to Zahko

In town warehouses are also available but of a smaller size. Average rental price is \$ 6.4/m<sup>2</sup>.

Dohuk is one of least affected cities, and the logistics infrastructure is well developed. Warehouses up to 3000 m<sup>2</sup> can be found on the West outskirts of Dohuk and around Sumel, electricity, telecommunication mostly available or can be provided on demand, labor and unloading equipment can be hired via warehouse owner or separately.

City	Contact person	Phone
Dohuk	Eng. Taha	0750 412 3747
Dohuk	Nizar Kesta	0750 445 7031
Dohuk	Abdi	0750 445 9351
Dohuk	Habib ,Zinar Co.	0750 445 7136
Dohuk	Muhammed ,Coca Cola	0750 005 5099

## Tikrit

The assessor could identify warehouses of Ministry of Trade only in this city (approximate GPS 34°37'36.3"N 43°39'41.4"E). The warehouse area is fenced and guarded. Electricity and telecommunication in place, labor and loading equipment can be hired separately.

City	Contact person	Phone
Tikrit	Hussen Ali Ajwan	0770 1721840

## Mosul

As West part of Mosul was 80% destroyed while liberation operation in 2016-2017, the East Mosul storage infrastructure is much better developed.

The areas assessed were the Gogiali industrial area at East outskirts of East part of Mosul (approximate GPS 36°21'24.8"N 43°15'54.6"E) and some other locations (Shalalat, Al-Qawsiat) – in average there are facilities up to 3,000 m<sup>2</sup> capacity with electricity available. Telecommunication, labor and loading equipment can be hired via warehouse owner or separately.

Though West Mosul infrastructure was heavily damaged, some storage facilities still can be found there. In most cases it is standing alone premises with capacity 200 m<sup>2</sup> and up to 1000 m<sup>2</sup>. The premises usually require rehabilitation and/or repair before operation. Electricity, telecommunication, can be provided on demand, labor and loading equipment can be hired via warehouse owner or separately.

East Mosul	Mr. Khairuddin	0750 8984551
West Mosul	Mohamed Ali	0770 161 6336 / 0750 880 7364
West Mosul	Rafa Hadeed	0770 166 3923
West Mosul	Mr. Khairuddin	0750 8984551

## Baghdad

Conventional storage of (+) 10,000m<sup>2</sup> can be found in next locations in Baghdad:

- **South Baghdad road (approximate GPS 33°09'31.5"N 44°21'52.5"E)** – numerous warehouse facilities along the south Baghdad road grouped in spots and large complexes. The location is 12 - 20 km away from the Centre of Baghdad. The areas are usually fenced. The accessibility and quality differs from one warehouse to another.
- **South-West part of Baghdad near Tigris river, left bank (approximate GPS 33°14'13.7"N 44°28'22.6"E)** – large industrial complex is situated here with numerous warehouses. Fenced and guarded area, quality size of the warehouses differs from one warehouse to another.
