

## 3.5.2 Armenia Additional Suppliers

- [Overview](#)
- [Wholesale – Freja and Son LLC](#)

### Overview

All the key commodities used in humanitarian operations are available in Armenia being either produced locally or imported. Medicine is being imported from different countries by wholesalers as well as being produced locally and is made available through very big number of pharmacies spread all over the country. Construction materials and kitchen equipment, IT equipment, water pumps, potable water are all available for procurement in the local markets.

For more information on suppliers' contact details, please see the following link: [4.10 Armenia Supplier Contact List](#)

### Wholesale – Freja and Son LLC
