

# Generic LCA Templates

In this section you will find the templates for completing a Logistics Capacity Assessment (LCA).

Clear instructions are provided in each template as follows:

| Instruction | Description  |
|-------------|--|
| Black Text  | Headings and text to keep when published                       |
| Red Text    | Guidance on content  |
| Blue Text   | Links to supporting documents and external information sources |

| Template                                     |
|--|
| 0 Country name                               |
| 1 Country Profile                            |
| 1.1 Humanitarian Background                  |
| 1.2 Regulatory Departments & Quality Control |
| 1.3 Customs Information                      |
| 2 Logistics Infrastructure                   |
| 2.1 Port Assessment                          |
| 2.1.X Port of Name                           |
| 2.2 Aviation                                 |
| 2.2.X International Airport                  |
| 2.2.X National Airport                       |
| 2.3 Road Network                             |
| 2.3.X Land Border Crossing                   |
| 2.4 Railway Assessment                       |
| 2.5 Waterways Assessment                     |
| 2.6 Storage Assessment                       |
| 2.7 Milling Assessment                       |
| 3 Services and Supply                        |
| 3.1 Fuel                                     |
| 3.2 Transporters                             |
| 3.3 Manual Labour                            |
| 3.4 Telecommunications                       |
| 3.5 Food and Additional Suppliers            |
| 3.5.1 Food Suppliers                         |
| 3.5.2 Additional Suppliers                   |
| 3.6 Additional Services                      |

## Contact Lists

| Template        |
|-----------------|
| 4 Contact Lists |

|   |
|---|
| <a href="#">4.1 Government Contact List</a>                               |
| <a href="#">4.2 Humanitarian Agency Contact List</a>                      |
| <a href="#">4.3 Laboratory and Quality Testing Companies Contact List</a> |
| <a href="#">4.4 Port and Waterways Companies Contact List</a>             |
| <a href="#">4.5 Airport Companies Contact List</a>                        |
| <a href="#">4.6 Storage and Milling Companies Contact List</a>            |
| <a href="#">4.7 Fuel Providers Contact List</a>                           |
| <a href="#">4.8 Transporter Contact List</a>                              |
| <a href="#">4.9 Railway Companies Contact List</a>                        |
