

3.5 Armenia Food and Additional Suppliers

Armenia is a net food-importer country. Top import and export destination is Russia. In general, all the products and services are available and can be purchased in Armenia.

The market relationships in Armenia are being regulated by RA Law on Procurements. There is also a State Committee for Protection of Economic Competition of the RA, the goals of which are protection and promotion of economic competition, creation of appropriate environment for fair competition, contribution to the development of entrepreneurship and protection of consumer rights in the Republic of Armenia.
