'One Stop Shop'

In order to streamline the customs procedures for humanitarian organisations bringing relief good into the Philippines during a humanitarian emergency, a "One-Stop-Shop" will be activated in the event of a humanitarian emergency

The OSS is activated, with the National Disaster Risk Reduction and Management Council (NDRRMC) as the lead agency, upon the declaration of the President of the Philippines of a national state of calamity.

The Purpose of a "One-Stop-Shop" is to bring together in a single location the key staff, necessary for expediting customs clearances for humanitarian cargo, for the selected agencies including representatives of relevant government departments including:

the Department of Social Welfare and Development (DSWD), the Department of Health, The Bureau of Food and Drugs, the Ministry of Finance (MoF), and the Department of Foreign Affairs (DFA).
