Airport Overview

Adana Airport (IATA: ADA, ICAO: LTAF) is an international airport located in Adana city. The airport serves mainly to the Çukurova region, and in a lesser extent to the provinces surrounding Çukurova, due to its frequent domestic flight schedule and several flights to international destinations. With 5.6 million passengers in 2016, it is the sixth busiest airport in Turkey and ranked 80th in Europe.
