

## 2.3.6 Mozambique Land Border Crossing of Pafuri

### Overview

This border crossing is a small border post between Mozambique (Limpopo Park) and South Africa (Kruger Park), and is also very close to Gonarezhou Park in Zimbabwe. It is only accessible with 4 x 4 vehicles. It is advised not to drive through this border during the rainy season, due to potential flooding of the Limpopo River. The border crossing is mainly used by game viewers of GLTP (Great Limpopo Trans-frontier Park), which includes South Africa's Kruger National Park, Mozambique's Limpopo National Park and the Gonarezhou National Park in Zimbabwe.
