Mozambique Food Suppliers, Accommodation and Other Markets

[4.8 Mozambique Additional Services Contact List](#)

Main Food Suppliers

Locations: Most commodities are produced and stored in the provinces of Nampula and Zambezia, as well as the major cities in the central region...
Chimoio, Gorongosa, Beira and Tete

Transport: The country is large so transport costs must be taken into account as they can be expensive

Currency: Know the currency used during the procurement transactions, know the exchange rate (official and formal)

Payments: Be aware of payment requirements, vendors might demand an advance payment of up to 50 % etc

Deliveries: Be patient during deliveries of orders as there will always be some surprises, prepare a 'Plan B'

Packaging: There are only two food packaging companies in Mozambique, one in Maputo and one in Nacala (SANAL)

Sugar: For locally produced sugar it is only possible to be purchased through the DNA (Distributor Nacional de Acucar)

Assistance: If you need any advice then contact the WFP Procurement Unit, they will be happy to assist
