

# Generic LCA Templates

In this section you will find the templates for completing a Logistics Capacity Assessment (LCA).

Clear instructions are provided in each template as follows:

| Instruction | Description  |
|-------------|--|
| Black Text  | Headings and text to keep when published                       |
| Red Text    | Guidance on content  |
| Blue Text   | Links to supporting documents and external information sources |

| Template                                       |
|--|
| 0 Country name                                 |
| 1 Country Profile                              |
| 1.1 Humanitarian Background                    |
| 1.2 Regulatory Departments & Quality Control   |
| 1.3 Customs Information                        |
| 2 Logistics Infrastructure                     |
| 2.1 Port Assessment                            |
| 2.1.X Port of Name                             |
| 2.2 Aviation                                   |
| 2.2.X International Airport                    |
| 2.2.X National Airport                         |
| 2.3 Road Network                               |
| 2.3.X Land Border Crossing                     |
| 2.4 Railway Assessment                         |
| 2.5 Waterways Assessment                       |
| 2.6 Storage Assessment                         |
| 2.7 Milling Assessment                         |
| 3 Services and Supply                          |
| 3.1 Fuel                                       |
| 3.2 Transporters                               |
| 3.3 Manual Labour                              |
| 3.4 Telecommunications                         |
| 3.5 Food and Additional Suppliers              |
| 3.5.1 Food Suppliers                           |
| 3.5.2 Additional Suppliers                     |
| 3.6 Additional Services                        |
| 3.7 Waste Management Infrastructure Assessment |

## Contact Lists

| Template |
|----------|
|----------|

|   |
|---|
| 4 Contact Lists   |
| 4.1 Government Contact List                               |
| 4.2 Humanitarian Agency Contact List                      |
| 4.3 Laboratory and Quality Testing Companies Contact List |
| 4.4 Port and Waterways Companies Contact List             |
| 4.5 Airport Companies Contact List                        |
| 4.6 Storage and Milling Companies Contact List            |
| 4.7 Fuel Providers Contact List                           |
| 4.8 Transporter Contact List                              |
| 4.9 Railway Companies Contact List                        |
| 4.10 Supplier Contact List                                |
| 4.11 Additional Services Contact List                     |
| 4.12 Waste Management Companies Contact List              |

## Annexes

|                                |
|--------------------------------|
| <b>Template</b>                |
| 5 Annexes                      |
| 5.1 Acronyms and Abbreviations |
