7,001	136,000	-	1112.5	65	65	30.30 USD per HR	-
136,001	and over	-	2779.5	65	65	70.40 USD per HR	-

Fuel Services Charges

OILYBIA and TOTAL are the awarded companies to supply aircrafts with fuel (JET A1) in Djibouti airfield. Information gathering from OILYBIA states the following:

- The costs of refuelling JET A1 is provided only to customers at signatory of contract;
- Two types of payment are acceptable by OILYBIA, by CASH or by CREDIT. When it's agreed to pay by credit, the customer should deposit a certain amount which varies according the quantity the customer will consume per Week/Month, etc.
- OILYBIA has never faced shortfall in their supply chain. They have a storage capacity of 10 to 15,000m3 at Doraleh Oil port and 750m3 close to the airport. In addition there are 4 tanker trucks with total capacity of 147m3.
- OILYBIA reports of having supplied an average of 3 to 4,000m3 of Jet A1 per month over past year (2010).
- OILYBIA performs regular test related to Quality control of their product. They comply with AFQRJOS norms.

	Price per Unit
